

How is the anti-Christ connected with a leopard?

The word "Nimrod" means "the rebel." He is the son of Cush making him the thirteenth (number of rebellion) generation from Adam. Therefore, he is a Hamite, one of the three sons of Noah who populated the African continent, whose offspring are primarily black in skin color. "Nimrod" was also a mighty hunter who also established his kingdom in Babel which became an integrated United Nations to glorify man.

Now, skipping ahead to Revelation 13 (the number of rebellion) we locate the beast that has a mark, a name and a number¹ and who is like a leopard.²

How is a leopard marked? If it is the "MARK of the beast" you are looking for, and the beast is a LEOPARD, then how is he marked? Jeremiah 13:23---"Can the Ethiopian (Hamite!!) change his skin, or the leopard his SPOTS?" A leopard is marked with black spots.

The leopard is a perfectly integrated animal. His body is yellow-brown as an Asiatic; it has the white belly of a European; and throughout and overall are the black spots of the African. His color represents a melting pot of all nations.

The black spot on a leopard is shaped as a Rosetta: that is, like two half-moons. If the spots are examined carefully, you can see that they most nearly resemble two, huge, BLACK LIPS pressed against the skin. This looks like a kiss which is the sign which Judas used to betray Christ; hence, "love and kisses" to this day is signed X X X.

The leopard is a member of the CAT family. The word for "cat" in Latin is "FELIX." The American is "LYNX." A man who is a cat-man is a "SPHINX." Since "black" in Latin is "STYX," a black-cat (a panther is a black leopard) is a "styx felix."

Since an alcoholic is wholly given to alcohol, A CATHOLIC IS WHOLLY GIVEN TO A CAT! No wonder Catholic priests wear black. No wonder the Hamitic Sphinx is found in North Africa³ where Cush's and Lot's wives came from. No wonder the manuscript "Vaticanus" is an Egyptian-type text from Alexandria, EGYPT!

If you flew over the Sphinx in a plane, and looked at the three pyramids beside him, you would see an amazing thing. For there, as plain as the sand of the desert, you would see a sphinx and X, X, X. The top of a pyramid is a perfect X.

¹ Revelation 13:17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

² Revelation 13:2 And the beast which I saw was like unto a leopard, and his feet were as *the feet* of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

³ Psalm 106:22 Wondrous works in the land of Ham, *and* terrible things by the Red sea.

Can you find a man who has the mark or spot of the Leopard?

⁴ Revelation 13:7-8 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. 8And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.
